## FRONT-END WEB DEVELOPER

A passionate and detail-oriented front-end developer with expertise in crafting responsive and user-friendly web applications. Proficient in JavaScript, React.js, Next.js, HTML, CSS, Tailwind CSS, Bootstrap and much more libraries, with hands-on experience in Firebase. Skilled in creating clean, maintainable code and designing visually appealing user interfaces. Enthusiastic about learning new technologies and solving complex problems in web development.

## WORK EXPERIENCE

### Front-end Developer | Freelancing

Mar 2024 - present

Built two e-commerce sites (smscents.com & warduro.com) with React.js and Firebase, featuring responsive design, brand-focused UI, real-time order management, and Vercel deployment.

### Front-end Developer | DevelopersHub.co

Mar 1, 2025 - May 25, 2025

Completed a 6-week virtual internship at DevelopersHub as a Front-End Developer, building responsive web projects using React.js. Recognized with the Best Award for exceptional performance and impactful contributions.

### ReactJs Developer | Internee.pk

Mar 15, 2025 - May 15, 2025

Completed a 2-month React.js internship at Internee.pk, focusing on building responsive UIs and reusable components. Gained hands-on experience with React hooks, state management, and modern front-end practices.
